

# FREE MONITORING

Get 3 month's **FREE MONITORING\*** when you refer a relative, friend, neighbor or anyone that purchases a monitored security system from ACE Security.

In today's economy it just makes good sense to take advantage of cost saving offers whenever possible. Now you can **SAVE MONEY** while helping your relatives, friends, neighbors, co-workers, or anyone that you know protect their property with a **PROFESSIONAL SECURITY SYSTEM** installed and monitored by ACE Security.

Simply fill out the form below or call ACE Security at 330-666-6007 and tell us about the folks you know who are interested in protecting their home or business from theft, fire, carbon monoxide, flood or other risk. There is never an obligation on their part, and if they do have a system installed by ACE Security, you receive a credit toward your monthly monitoring. There is **NO LIMIT**, you can refer as many people as you like and receive credit for each one that has a system installed and monitored by ACE Security.

Help yourself. Help those you care about. Help us.
